NEWSLETTER No2 APRIL 2015

WWW.BDCC.ORG.UK

Dear Member,

Many thanks for all the positive comments regarding the newsletter . There has been a slight delay in producing the magazine so we have produced another newsletter but next month there will be a magazine and from then on the magazine and newsletter will be produced on alternate months.

The aim is for as many Club members as possible to receive future copies of the Newsletter via e-mail but in order to do this we need to update the Club records. To move this forward I would be very grateful if you could send your e-mail address (and name!) to timwalker722@btinternet.com

Printed copies will always be sent to those members unable to access e-mail but the Club does intend to develop communications to members electronically as the advent of smart phones and tablet computers makes printed copy somewhat increasingly outdated.

18th April Somerset Stages Rally. B&DCC is again running the Porlock Toll Road stage and marshals would be most welcome. Signing on at the bottom of the toll road from 06:00 to 07:00 and first car due at 08:30. Contact Phil Muspratt on 07920 855878

19th April B&DCC Catch the Pigeon Sprint (Nat B) Our first visit of the year to Clay Pigeon Raceway will have a full and varied 65 car entry. Marshals always most welcome. Aaron Booth 07974 557245

MONDAY 20TH APRIL B&DCC ANNUAL GENERAL MEETING 21:00 AT THE DUDSBURY. Please come and have your say about how the Club is being run. There will be a complementary buffet following the meeting.

10th May B&DCC The Woodford Slalom at Bovington. An event in the style of the Barnsfield Heath slaloms that were run by the much missed Gordon Woodford and the first event worthy of carrying his name. Aaron Booth is the contact for this and as there has been considerable interest I would recommend getting your entry in early.

23rd May B&DCC Purbeck Stages. A new venture from the Club, a multi venue loose rally based at Bovington. 30 stage miles are on offer over 6 stages at 3 different venues with central servicing and a compact route. Mid morning start and mid afternoon finish. Entry information from Tim Walker 07802 914105 and marshals should contact Aaron Booth.

29th—31st May Bournemouth Wheels. The second event promises to be bigger and better than last years and B&DCC will again have a prominent stand near Bournemouth Pier. We have space for 6 cars to be on display each day and would like to try and offer as many members as possible the opportunity to put their cars on display. Volunteers to staff the stand are also welcome and Steve Candy is coordinating all aspects of the Clubs involvement and he can be contacted on 01202 813590.
