The weather was kind as the B&DCC boat trip headed from Poole Quay to Wareham. There was a brief stop at Lake pier to pick up the fish and chip suppers and following a couple of hours ashore at Wareham the boat returned. All in all, the event was considered such a success that we intend to repeat the journey on **Saturday 12th September**. Captain Colin Stewart is again dealing with tickets, at a very reasonable £10 each, and he can be contacted on 07904 226752.

At the last committee meeting the Club took the hard decision not to run the Endurance Rally on the 15th August. This was not due to one particular reason but several factors and there is still every intention to run this again in 2016 and in future years.

Our first visit of the year to Smeatharpe for the 3 Counties Stages saw a large and varied entry tackle 10 stages on the fast and smooth Upottery Airfield. B&DCC members Dean Thomas & Rich Knowlton took a well deserved win in their Davrian. The top 6 at the finish were:

- 1st Dean Thomas/Rich Knowlton—Davrian 36:40
- 2nd Daniella Furzeland/Jason Parsonage—Impreza 37:37
- 3rd Kev Carr/Chris Phippen—Ford Escort 37:55
- 4th Chris & Megan Dodridge—Impreza 38:25
- 5th Tim Self/Kelly Kay—Impreza 38:30
- 6th Andy Phipp/Sarah White—Ford Anglia 38:51

The B&DCC publicity trailer has been attending several events this year. We are booked in to the Route 66 Car Show at Hurn on 4th/5th July and Poole Country Fair at Upton House on 1st/2nd August.
