Plans are well underway for the 2016 **Bovington Stages** event on **5th and 6th March** which will be the first round of the inaugural 2016 Fuchs Lubricants RAC Historic Asphalt Rally Championship . This is Britain's first asphalt championship dedicated to historic rally cars and will see the Country's best historic cars and drivers in action over the fast and demanding Bovington stages. For our Club to be part of such a prestigious championship is a great honour and we would like as many people as possible to help with the pre-event organising , if you feel able to help the event co-ordinator Darren Loveys 07778 173175 would welcome your call. The Championship is being officially launched at the Autosport Show in early January and regulations will be available shortly after then.
